Multicultural Volunteer ⑦

Bai Junshi (白 浚石)

I came to Japan on March 2023 from Hebei Province, China. I am now studying at Keio University as a master student. I have concern in art, sports and piano.

My friend introduced me to Minami lounge and I decided to register as a multicultural volunteer. I experienced introducing Chinese culture, supporting children at school and teaching Chinese as a volunteer. I was impressed by the students strong interest in Chinese culture.

By volunteering various activities, my Japanese language skills have improved greatly and helped me make new friends.

It also helped me get used to Japanese living style.
